REMUNERATION

Creane & Creane Insurance is remunerated by a combination of commission and fees. We are often remunerated by commission paid to us by: 1) Product Producers on placing of your insurance business with them and 2) Premium Finance Companies for arranging the finance of your premium with them. This commission compensates us for the work involved in placing an order and finalising the product with them on your behalf. The amount of commission earned will vary greatly depending on the product type and the product producer. A growing number of Product Producers pay no commission. Some Product Producers pay commission that is not related to the placement of individual policies with them but are based on other factors such as the volume of business introduced to them over time. Details of the commission earned by us on your policy will be disclosed at your request. The amount of any commission received by Creane & Creane Insurance will not be deducted from any fee payable. A maximum fee of 20% of the related premium for all classes of business except private car and household insurance is normally charged. There is a minimum alteration charge of €20 per transaction for mid term alterations. These charges are based on providing the following: sourcing a market, placing the risk, standard advice, claims handling, risk management direction and general servicing of your needs in your best interests.
